The **Vatican II Council** resulted in major changes in the church. Its declaration **Dei Verbum** has proven to be one of the most important and lasting actions of the Council, injecting new life and vigor into the biblical renewal of the Catholic Church. The great Dogmatic Constitution on Divine Revelation (**Dei Verbum**) is one of the most important church documents of the last five hundred years. As our commitment to hearing and living the Word of God deepens and as we continue to comprehend the treasure, ramifications, and challenges of the Second Vatican Council we must be cognizant of this document and understand how it influenced this very pastoral council. Join Deacon Gerry in exploring the Word of God at Vatican II. We will meet on the following dates – Mondays, January 14, 28, February 11, 25. You can choose to attend in the afternoon 1:30 - 3:00 or in the evening 7:30 – 9:00. Cost of materials is \$30.00. Register by completing one of the forms to be found in the ring binder, labeled **The Word of God at Vatican II**, in the alcove at the back of the church. Registration closes on Sunday, December 16th.
